START MEMO NOM-POST-OBJ:
Alexandre Galdin is a fast-rising expert on defense and
security matters for the French government who has a bright
career ahead of him. He has the ear of UMP politicians and is
in a position to influence French government representatives
for years to come. A trip to the U.S., where he has never
been before, would provide him expertise to better appreciate
American policies, to start to build a network of contacts and
to help him communicate a positive view of the value of
transatlantic cooperation.
Given the SGDN's focus on regional conflicts, on counter-
terrorism and on other security and defense matters, Mr.
Galdin would be able to draw on his experience in the I.V.
Leadership program. This type of investment is sure to have a
positive influence on the Post's long-term MPP Goals.

END MEMO NOM-POST-OBJ:
START MEMO NOM-POST-RCMD:
Post recommends that we send him as an individual grantee on a
project dealing with Foreign Affairs and Security issues.
Post also suggests that Galdin meets with political
consultants and gains a better understanding of the domestic
American policy-making process.

NOMINATING-OFFICER: Caroline Gorse-Combalat
START MEMO NOMINATING-JUSTIFICATION:
In the General Secretariat for National Defense (SGDN: inter-
ministerial agency attached to the Prime Minister's Office),
Alexandre Galdin works in close contact with the Secretary
General of National Defense who advises the Prime Minister on
defense, security, foreign affairs, domestic, economic and
financial issues. The SGDN role is to help out the General
Secretary of the Government coordinate its tasks, prepare

SIPDIS
Cabinet meetings and draw up reports.
As advisor in charge of the inter-ministerial coordination of
defense and security matters, Galdin has demonstrated his
capacity to be an influential actor in the field of defense
and foreign affairs issues.

In the UMP, Alexandre Galdin has already held strong positions as Assistant to the presidential campaign of Edouard Balladur in 1995, as member of the board of the French section of the Atlantic Association for Young Political Leaders from 1996 until 2002, as member of the RPR departmental committee of Paris in 1998 and now as Vice-President (UMP) of the Financial and Open Markets Commission of the Paris Government. Again, in these instances, Alexandre Galdin has developed his influence and expects to play a growing role in the future.
